XI. TRAINING PATHWAYS

- A. Before: A career pathway system is a series of connected educational and training programs and support services that prepare and enable individuals, often while they are working, to secure a job and advance over time to successively higher levels of education and employment in a specific industry/field. Pathway goals are to increase access, awareness, affordability, resources, and alignment for high school students, adult learners, and the current workforce.

The Knox County Technical Center Nail Technician program is an entry-level program, which prepares learners with little to novice experience in the field of nail care; those who already work in the field and wish to enhance their skills; or those who simply wish to enter a cosmetology career pathway.

Prior to admission potential learners must have the following:

- High school diploma or GED – Official Transcript
 - Completed application form with a \$50 registration fee
 - Skills Assessment (WorkKeys)
- B. After: College credit may be granted for the successful completion of our career development programs through bilateral articulation agreements (Ohio College Tech Prep); Ohio Transfer to Degree Guarantee; and the One-Year Option. When enrolling in an institution of higher education be sure to request a review for articulated college credit with your training from KTC.
