

Automotive Technician

Career Opportunities

- Automotive Technician
- Automotive Mechanic
- Repair Shop Owner
- Specialty Repair Technician

Employment Outlook

Employment of automotive service technicians and mechanics is projected to show little or no change from 2018 to 2028. Job opportunities for qualified jobseekers should be very good (bls.gov).

Program Highlights

- The curriculum includes comprehensive training for automobile service and repair
- Graduates are prepared to obtain entry-level employment in the auto service industry
- Hands-on training includes customer repair clinic
- Well-equipped skills lab

Institutional Accreditation

Knox Technical Center is accredited by the Commission of the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350. Telephone: 770-396-3898, Fax: 770-396-3790, www.council.org.

Program Approval

The KTC Automotive Technician program is approved by the Ohio Department of Higher Education, and by the Commission of the Council on Occupational Education.

Credentialing

ASE National Automotive Student Skills Standards Assessment. Students will be eligible to sit for ten individual ASE student certification examinations.

Articulated College Credit

When enrolling in an institution of higher education, be sure to request a review for articulated college credit with your training from KTC.
