

Nail Technician

Career Opportunities

- Manicurist
- Nail Technician
- Pedicurist

Employment Outlook

Employment of manicurists and pedicurists is projected to grow 10 percent from 2018 to 2028. New types of nail services, such as mini-sessions and mobile manicures and pedicures, may drive employment growth (bls.gov).

Program Highlights

- Prepare for licensure in just 200 hours
- Designed as an affordable, fast track to a growing career field
- Enter into a growing field where local jobs are available
- Hands-on experience through offering nail services to the public

Institutional Accreditation

Knox Technical Center is accredited by the Commission of the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350. Telephone: 770-396-3898, Fax: 770-396-3790, www.council.org.

Program Approval

The KTC Nail Technician program is approved by the Ohio State Cosmetology and Barber Board, and the Ohio Department of Higher Education, and by the Commission of the Council on Occupational Education.

Credentialing

Upon successful completion of the 200-hour program, students are eligible to sit for the Ohio State Cosmetology and Barber Board Nail Technician licensure examination.

Articulated College Credit

When enrolling in an institution of higher education, be sure to request a review for articulated college credit with your training from KTC.
