

Public Safety (EMT, Firefighter, and CEU's)

Career Opportunities

- Emergency Medical Technician (EMT), Firefighter
- Fire Departments, Private Ambulance Services
- Manufacturing Facilities and Industry
- State Fire Marshal's Office, Hazmat
- Specialty Rescue (Rope, High Angle, etc.)

Employment Outlook

- **EMT** - Employment of emergency medical technicians (EMTs) and paramedics is projected to grow 7 percent from 2018 to 2028. Emergencies, such as car crashes, natural disasters, and acts of violence, will continue to require the skills of EMTs and paramedics (bls.gov).
- **Firefighter** - Employment of firefighters is projected to grow 5 percent from 2018 to 2028. Physically fit applicants with paramedic training will have the best job prospects (bls.gov).

Program Highlights

- Learn principles, theory, and hands-on skills
- Dynamic work environment
- Physically challenging, rewarding career
- Help your community and volunteer or become a professional EMT/Firefighter
- Career advancement opportunities
- Customized training courses for departments

Institutional Accreditation

Knox Technical Center is accredited by the Commission of the Council on Occupational Education, 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350. Telephone: 770-396-3898, Fax: 770-396-3790, www.council.org.

Program Accreditation

Our programs are chartered/accredited by the Ohio Department of Public Safety #OH116. Applicants for the Public Safety programs must meet moral, ethical, and substance use policies of the Ohio Department of Public Safety (OAC 4765)

Program Approval

The KTC Public Safety programs are approved by the Ohio Department of Higher Education, and by the Commission of the Council on Occupational Education.

Credentialing

- **EMT** - Upon successful completion of the training program(s) students are eligible to take the respective state or national certification exam(s). EMT graduates are nationally registered through the NREMT to be eligible to obtain the State of Ohio EMS card
- **Firefighter** - Upon successful completion of the training program(s) students are eligible to take the respective state certification exam(s)

Articulated College Credit

When enrolling in an institution of higher education, be sure to request a review for articulated college credit with your training from KTC.
