

Practical Nursing

Career Opportunities

- Acute Care, Hospitals
- Skilled, Long-Term, and Rehabilitation
- Physician Offices and Clinics
- Emergency and Urgent Care Centers
- Home Care and Hospice
- Community Care

Employment Outlook

Employment of licensed practical and licensed vocational nurses is projected to grow 12 percent from 2016 to 2026, faster than the average for all occupations. As the baby-boom population ages, the overall need for healthcare services is expected to increase. LPNs will be needed in residential care facilities and in home health environments to care for older patients (bls.gov)

Program Highlights

- Curriculum provides opportunities designed to prepare graduates for practice in the current healthcare environment
- Provides graduates with a solid foundation for NCLEX-PN success
- Skills training in clinical and simulated settings
- Class schedules are designed to provide a healthy balance between school, work, and life responsibilities
